Dear Jim:

In looking over my long career in Government service, certain prominent events and the individuals associated with them come into focus. I would like to take the opportunity to express my appreciation to you as one of those individuals for your support and friendship which have played such an important role in my career. Our associations over the past seven years have existed under a wide variety of circumstances. I have always enjoyed your consistently professional approach to all challenges, and I want to tell you how much I value these associations.

My plans are to stay in the Washington area, and it is my sincere hope that we can remain in contact with each other.

Sincerely,

STAT
